

A JACKSONVILLE WOMAN ENDORSES OUR STATEMENT

Jacksonville, Fla.—"I wish to say that Dr. Pierce's Favorite Prescription is certainly the best medicine I have ever used. I took it for a woman's trouble. My greatest trouble was falling of the uterus, which I fully believe was corrected by the medicine. Nervous depression, a low down nervous system, lack of energy, loss of appetite and sleep, all made existence undesirable. I feel quite certain that all women in my state of health will receive as much good as I did. But do not stop taking it until you are well!"—Mrs. J. L. BURKETT, 806 W. Monroe St., Jacksonville, Fla.

The mighty restorative power of Doctor Pierce's Favorite Prescription speedily causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women.

It is a wonderful prescription prepared only from nature's roots and herbs with no alcohol to falsify stimulate and no narcotics to wreck the nerves. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensation, worry and sleeplessness surely and without loss of time.

Get it now! All druggists. The cost is modest, the restorative benefits truly remarkable. Write Dr. Pierce, Invalid's Hotel, Buffalo, N. Y., for free 139 page book on woman's diseases. You may also have confidential medical advice without cost.
